PITTSFIELD TWP HISTORICAL SOCIETY

The Pittsfield Historical Society will host their annual meeting on June 8th at the Pittsfield Town Hall starting at 6:30 p.m.

Since the recent passing of our founder, Ralph Hayes, a tribute to his contributions and accomplishments will be given. In addition, a very interesting program on **Railroads of Lorain County** will be given by Adam C. Matthews starting about 7 p.m. If you have any interest in old trains, this program will be very interesting.

Ralph Hayes was appointed the Township Historian in 2007. He has spent many years researching and archiving Pittsfield Township's history. After the 1965 tornado destroyed the old Town Hall, he became the focal point preserving and researching original documents in his own personal library. In 2008, Ralph founded the historical society and with the help of others, received non-profit accreditation. Since then, Ralph led the project to preserve the 1830's one room schoolhouse, now proudly displayed at Pittsfield Center next to the township garage.

Please join us for this free event. If you have any interest in local history and would like to be part of this group, please join us at our monthly meetings held the 2nd Tuesday of every month at 7pm at the Town Hall.
