THANK YOU

Thank you to the 4-H clubs that helped beautify the township this year.

The Lorain County Dairy Club cleaned up the landscaping around the statue, sign, front park area and hall by spreading new mulch and planting flowers. This year the cleanup day was prior to the tornado remembrance activities. The club uses the town hall for their 4-H meetings and wanted to make sure everything looked great.

The Helping Hands 4-H Club completed roadside trash pick-up. The club has a total of 42 members including Cloverbuds.

Pittsfield Twp. Historical Society was deeply saddened by the recent passing of Tom Sheffield, who served as a member since 2013 and as a board member since 2022. Although quiet, Tom was always present at board meetings and helped wherever he was needed. He was one of our loyal benefactors, donating money to help preserve Pittsfield's history. He was a big help during events, that last being the 60th anniversary of the 1965 Palm Sunday tornado. Tom was a survivor of this very tornado that destroyed his parent's home and paralyzed his mother.

In his memory, his brother Jim suggested mounting a sign or plaque on the 1836-38 Pittsfield school house with a description of its history. "After all," Jim said, "it was Tom's idea to do that." Tom will be greatly missed and hard to replace. We are in the process of making that happen.

We do have an open spot for one board member. If you are interested in Pittsfield's history and would like to participate, please contact one of the board members or send an email to pthshistory@gmail.com.
